SUBJECT	Administrative Quarters for [REDACTED] #10 25X1A			ABSTRACT	
ACTION REQUIRED - REFERENCES				MICROFILM	

ACTION REQUIRED: See paragraph 4

REFERENCE : None

1. As Headquarters is aware, the lease on Subject's quarters will expire on 20 May. The landlord has asked for an increase in rent for the next year of [REDACTED] to be followed by a similar increase for the following year of another [REDACTED]. This would make the rental for the next two years [REDACTED] respectively. This is considered excessive.

2. [REDACTED] has found and tentatively agreed to rent another house in the [REDACTED] area at a rental of [REDACTED] for the first year, [REDACTED] for the second year, and [REDACTED] for whatever portion of the third year he is assigned to the Station. The landlord has agreed to make the effective date of the lease 1 May.

3. Because of the lack of reasonably large but not ostentatious houses in [REDACTED], the Station feels that this new house offers the best possibilities, and that the house should be rented. The house has four bedrooms, a large living room-dining room, a small study, servants' quarters, a garage, and a pleasant yard with a small summer house. The house is hidden from the street by a hedge, and is not ostentatious or particularly noticeable. It offers what appears to be the best available combination of adequate living space plus entertaining space that can be obtained at the price on the present real estate market.

4. Because of the fact that such houses are very hard to find, the contract should be signed promptly to prevent the house from being rented to someone else. It is therefore requested that Headquarters cable authorization for the rental of this house [REDACTED]
